

# Community Project Proposal

Congratulations Roosevelt, Ravenna, Bryant and Wedgewood!

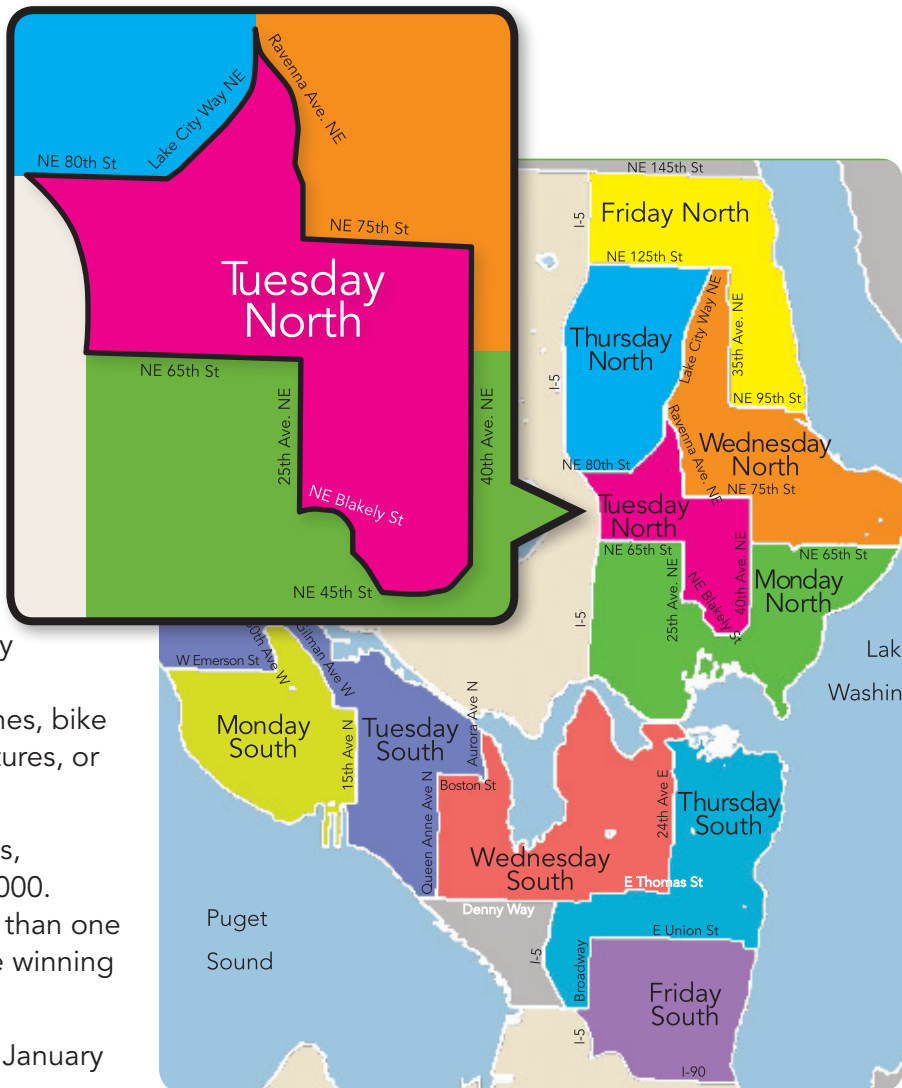

The CleanScapes "Tuesday North" collection area won the 2011 Neighborhood Waste Reduction Rewards competition and will receive a \$50,000 community improvement project.

Between now and January 31, 2012, Seattle residents have the opportunity to submit project proposals for construction in the Tuesday North collection area—see map. Representatives from the neighborhood community councils in the Tuesday North area will recommend the winning project(s) to CleanScapes using the criteria below.

## Project Criteria

- ▶ The proposed project must be a visible and easily accessible capital project or community amenity that the public can actively use, such as playground equipment, public benches, bike racks, trail markers, community garden structures, or neighborhood information kiosks.
- ▶ Project construction costs (including materials, labor and permit fees) must not exceed \$50,000. The award money can be used to fund more than one project. The project(s) must be located in the winning neighborhood collection area (see map).
- ▶ The deadline to submit a project proposal is January 31, 2012. The project must be completed by December 2012.

Please complete the proposal form (over) and submit to CleanScapes by January 31, 2012.
