

# Seattle Children's Livable Streets Open House

Saturday, June 23, 2012  
10 a.m. to 2 p.m.

Two years ago you helped us envision improvements to NE Seattle as part of Children's Major Institution program. Thank you. This summer, the first phase of projects are coming! Join us for an open house to check them out.

## The Seattle Children's Livable Streets Initiative

Seattle Children's has committed to spend nearly \$4 million on transportation improvements in NE Seattle as part of our Major Institution Master Plan. We need you to help envision potential projects including:

- Bike and Pedestrian safety improvements, including NE Seattle's first Greenway
- Intelligent Transportation Systems that use technology to give drivers more information
- Corridor improvements to increase safety for all users

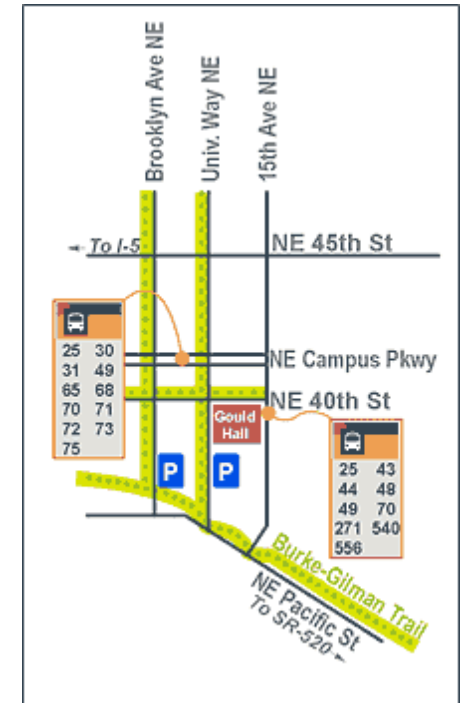

## Come Participate in the Livable Streets Open House

People of all ages are invited to participate in the open house and several activities just for kids will be provided, including:

- Free bike helmets with complimentary fitting
- Bicycle safety and fun workshop
- Free kids bike safety inspections

Saturday, June 23, 2012  
10 a.m. to 2 p.m.

Gould Hall  
University of Washington  
3949 15th Ave NE  
224 Gould Hall  
Seattle, WA 98195
