

Safe Roads Awareness Week

*In Memory of
Dennis & Judy Schulte*

March 25 – 28

Safe Roads Awareness Week is a week-long series of events designed to raise awareness of dangers facing all users of our roadways.

Several events will be held from March 25th to 28th to raise awareness of impaired driving, distracted driving, safe speeds, and sharing the road with all transportation choices. Events include parent and student workshops and commute hour visibility. All are welcome.

Tuesday, March 25

Schulte Memorial Walk & Rally

Walk Starts at 3PM at Top Pot Doughnuts, 6855 35th Ave NE. Rally Starts at 4:15pm at Eckstein Middle School, 3003 NE 75th St

A walk and rally to honor the lives of Dennis and Judy Schulte on the one-year anniversary of the DUI collision that took their lives. Featuring brief messages from Dan & Marilyn Schulte, Darrin Grondel (Director of the WA Traffic Safety Commission), Senator David Frockt (District 46), and Courtney Popp (Mothers Against Drunk Driving).

Power of Parents, It's Your Influence™ Parent Workshop

**Presented by Mothers Against Drunk Driving,
5:15pm – 6:00pm, Eckstein Middle School, Room 111**

A workshop for parents to gain tools on how to talk with their kids about underage drinking.

Wednesday, March 26

Distracted Driving Awareness

Residents bringing visibility to distracted driving during morning and evening commute at the intersection of 35th Ave NE and NE 75th Street.

Thursday, March 27

Safe Speeds Awareness

Residents bringing visibility to driving at safer speeds during morning and evening commute at the intersection of 35th Ave NE and NE 75th Street.

Friday, March 28

Share the Road Awareness

Residents encouraging all road users to share the road during morning and evening commute at the intersection of 35th Ave NE and NE 75th Street.

Lake City Way Traffic Safety Project

Starts at 4:00pm at the Southeast Corner of Lake City Way and NE 125th Street.

Residents are invited to join the Seattle Department of Transportation, the Washington Traffic Safety Commission and local students to help kick-off this multi-year effort to improve safety on the busy State Route 522 corridor. For more information on the Lake City Way Traffic Safety Project, visit www.seattle.gov/lcw.
